OREGON SCHOOL DISTRICTS

This list gives information for Oregon school districts as they were organized on June 30, 1990. In Part I, districts are arranged alphabetically statewide. In Part II, districts are arranged in numerical order by county.

Letter designations in Part I indicate district organization.

U----- a unified district which operates grades 1 through 12.

Ue---- a unified district which operates only grades 1 through 8. Secondary students attend a high school in another district on a district-paid tuition basis.

E----- an elementary district which operates grades 1 through 8 or 1 through 6.

Some districts have a unified (U or Ue) portion and an elementary portion . Students attend the same elementary school, but may attend different high schools depending upon which part of the district they live in.

UH---- A union high school district which operates grades 9 through 12 for students from component elementary districts.

Some union high school districts operate grades 7 through 12. Component elementary districts thus operate grades 1 through 6. Elementary and union high school districts organized this way are marked with an asterisk.

Elementary district or parts of districts which comprise a union high school district are shown in Part II.

Special designations are:

J----- a joint district with territory in two or more counties. Joint portions are listed in Part II beside joint district listings.

Susp-- a suspended district which does not operate schools, but sends its students to another district's school on a distict-paid tuition basis.

A----- a unified district organized administratively under ORS 330.505 at 330.780.

Average daily membership attending (ADMa) is shown in Part II for each district as of June 30, 1990. ADMa is computed by dividing total days membership by the number of days that schools in the district were in session. ADMa figures beside county names are for students attending ESD-operated programs.

Columns (1) Type = District's Organization:

U - A unified district which operates grades 1 through 12.

Ue - A unified district which operates only grades 1 through 8. Secondary students attend a high school in another district on a district-paid tuition basis.

E - An elementary district which operates grades 1 through 8, or 1 through 6.

UH - A union high district which operates grades 9 through 12, or 7 through 12 for students from component elementary districts.

(2) District Name & UH affiliation =

Elementary districts which are components of a UH district are shown with the UH district to which they belong.

(3) Estimated June '91 ADMr =

The district's own estimate of its June 30, 1991 annual resident average daily membership (ADMr).

(4) Current Expenditures per ADMr =

The district's own estimate of its 1990-91 current expenditures as they will appear in the audit at the close of the school year, divided by column (3). Current Expenditures are defined as Net Operating Cost (ORS 327.006(6)) plus approved Transportation Cost.

(5) Assessed Value per ADMr =

Actual assessed value from tax rolls for year 1990-91 divided by column (3).

(6) Local Levy, District Rate =

The tax rate paid during 1990-91 for the local district school levy.

(7) Local Levy, K-12 rate =

The tax rate paid by a taxpayer for a total school program at the local level. For unified districts, this column equals column (6); for elementary districts, this column equals column (6) plus the amount shown in column (6) for its component UH district.

(8) & (9) Total Levy Rates =

Same explanation as for (6) and (7) but including rates for the County School Fund and ESD levies.
